

**Minimum required: 120 semester credit hours**

**General Requirements**

1. The general education core curriculum courses are listed in the degree plan below along with the statewide component code number. See the General Education Core Curriculum (<http://mycatalog.txstate.edu/undergraduate/general-education-core-curriculum/>) section of this catalog for the Texas State requirements and options in the core curriculum, including Honors courses.
2. A minimum of 36 advanced hours are required.
3. All Theatre students are encouraged to participate in theatre production activities each semester.
4. Performance and Production electives are separated by tracks. This allows students to focus their coursework in concentrated areas. Students may complete one of the tracks or take courses from any of the tracks to complete 27 hours of Performance and Production electives.
5. Performance and Production students in Theatre must maintain an overall GPA of 2.75 and a major GPA of 2.75. Students who earn below a 2.75 in either the overall or major will receive one semester of probation. If students earn two consecutive semesters of a GPA that is less than 2.75, they will be advised into another program.
