The School of Theatre, Dance, and Film is committed to cultivating the next generation of theatre, dance, and film artists by providing all students with comprehensive classroom instruction and opportunities for hands-on experience. As artists, educators and scholars, we strive to achieve a creative collaboration in our classrooms, rehearsal, and performance spaces with a focus and dedication to building community and teaching compassion.

We embrace the potential for theatre, dance, and film to create community and change world views. We seek:

- to cultivate a stimulating and creative environment in which students deepen their aesthetic experience, while strengthening a broad range of theatre, dance, and film skills,
- to preserve the traditions of dramatic literature, while encouraging experimentation in new theatrical forms, ideas and insights,
- to make a significant cultural impact on the campus and throughout the region served by the university,
- to deliver a curriculum that emphasizes the role of theatre, dance, and film as a catalyst for artistic expression and a means for developing a global perspective,

Recent productions that provided hands-on opportunities for students include: *Opening Door Dance Theatre*, *Merge Dance Company*, *Guys & Dolls*, *Student Choreographers' Showcase*, *Sister Act*, *The River Bride*, *Romeo & Juliet*, *Our Town*, *The Wolves*, *The Liar*, *Mala Hierba*, *Everybody*, *Into the Woods*, *She Kills Monsters*, *Rent*, *Small Mouth Sounds*, *New Works Festival*.

Our programs prepare professional actors, designers, writers, film makers, editors, producers, directors, technicians, performers, choreographers, as well as public school teachers. Students work closely with professional artist-educators who have earned national and international recognition. Our faculty have performed on Broadway, starred in television shows, danced in professional companies, worked at Tony-Award winning regional theatres, produced award winning films, choreographed for dance productions and musicals, had designs displayed internationally, presented films at Tribeca Film Festival, Cannes Film Festival, and SXSW, published books and articles, and had their plays produced in New York and abroad. We are large enough to provide access to a full complement of highly qualified specialists while prioritizing personal attention to our students. Specializations include acting, technical production, performance and production, performance and choreography, musical theatre, film production, and teacher certification. Our graduates work as teachers, dancers, actors, choreographers, designers, writers, producers, directors, film makers, and technicians throughout the industry.

Facilities

Classes take place in the university's distinctive Theatre Center, Jowers Center, Performing Arts Center, and the new Live Oak Film and TV Studios. Combined with the performance space in Evans Auditorium, these spaces contain five theatres and a film sound stage that provide students the opportunity to experience a variety of production styles. They house completely equipped scenic, prop, paint, and costume shops, film sound stage, sound recording/foley studio, editing labs, rehearsal rooms, a computer drafting lab, classrooms, and resources for both research and teaching.

Financial Assistance

Students may qualify for scholarships and waivers for out-of-state tuition. Contact the School of Theatre, Dance, and Film for more information.

Admissions Requirements

1. Admission to the B.F.A. major in Theatre with an emphasis in Acting is highly competitive and based on an audition/interview with members of the B.F.A. Acting Program faculty. Prospective students audition during their senior year of high school. This is a four-year sequential curriculum and transfer students are not accepted unless specially invited by the B.F.A. Acting faculty. Students in the program are always on probation; their work and progress are formally evaluated by faculty annually. Students must maintain a minimum GPA of 2.5.
2. Admission to the B.F.A. major in Theatre with an emphasis in Technical Production is based on successful completion (with a grade of C or better) in TH 1350 Introduction to Theatrical Design and in TH 2330 Stagecraft and Stage Lighting. Upon successful completion of these two courses, the student will be allowed to enroll in TH 3390 BFA Pre-Professional Apprenticeship I and, in some cases, may be concurrently enrolled in TH 2330 and TH 3390. Students in the program will be evaluated after each semester by Technical Production faculty and staff to assess progress and determine continuation in the program. Students must maintain a minimum GPA of 2.5.
3. Admission to the B.F.A. major in Musical Theatre is highly competitive and based on an audition/interview with members of the B.F.A. Musical Theatre Program faculty. Prospective students generally audition during their senior year of high school. Interested transfer students must contact the Head of Musical Theatre to see if there are any available slots in their class level; typically, students transferring into the program require four years at Texas State to complete their degree. Students in the program are always on probation, with their work and progress continually evaluated. Students must maintain a minimum GPA of 2.8.
4. Admission to the B.F.A. major in Dance is based on an audition in either the fall or spring semester prior to the year of admittance. Students in the program are always on probation, with their work and progress continually evaluated. There is a formal review at the end of the sophomore year that determines whether each student may advance to the upper-level training. Transfer students will be reviewed at the end of their first long semester. Students will be expected to maintain appropriate artistic and academic standards at the discretion of the Dance faculty.
5. Teacher certification majors in theatre and dance must maintain a GPA of 2.75. Students who fail to do so will be advised into another program. All students pursuing teacher certification must apply and be accepted to the Office of Educator Preparation (<http://mycatalog.txstate.edu/undergraduate/education/office-of-educator-preparation/>).
