Texas State University offers general admission programs for first-time freshman, transfer, and international students, as well as returning students. Admission standards are designed to ensure that admitted students are prepared to meet the academic challenges at Texas State.

Students and their guests are invited to visit either the San Marcos or Round Rock campuses any day the university is open. Guided tours (both on-campus and virtual) are coordinated through the Alumni and Future Student Welcome Center. Tour reservations can be made through our online reservation system (<https://www.admissions.txst.edu/visit/campus-tours.html>).

Bobcat Days are Texas State University's premier visitation event for prospective students and their families. They take place twice in the fall and the spring. Guests can visit campus to learn more about academic programs, support services, admissions procedures, housing options as well as financial aid and scholarships opportunities. Visit the admissions website for Bobcat Day (<https://www.admissions.txst.edu/visit/events/bobcat-day.html>) dates, a schedule of activities and registration options.

In addition to campus tours and Bobcat Days, we invite you to explore additional visit options (<https://www.admissions.txst.edu/visit/>).
