

---

Those who wish to audit a course must be accepted by the Office of Undergraduate Admissions by completing the ApplyTexas Visiting application (<https://www.admissions.txst.edu/future-students/apply-for-admission.html>), and approved by the school, department, or program offering the course. Audit status must be declared at registration. Participation in class discussion and examinations are optional with the instructor. Auditors receive no course credit but are expected to attend class regularly. With departmental/school approval, a student who has audited a course may later take the course for credit.

After registering for class(es), the student must contact the Office of the University Registrar (<https://onestop.txst.edu/registrar/student-registration/65-registration.html>) in person by the 4th class day in the summer, or by the 12th class day in the fall or spring. Check the university's Academic Calendar (<https://www.registrar.txst.edu/registration/ac.html>) for the exact date. Auditors will pay the same fees as if the course(s) were taken for credit. The course(s) will be entered on their transcript record, but the student will not receive credit for the course(s). Note any audited courses are not eligible for Financial Aid which includes grants, scholarships, or loans.

Senior citizens, 65 or older, may audit courses without payment of tuition and fees if space is available. Registration is permitted just prior to the start of the semester, with credit of tuition and fee charges made by the staff in TXST One Stop (JCK Administration Building, ). For more information, please visit our registration for senior citizens (65+) information page (<https://onestop.txst.edu/registrar/student-registration/65-registration.html>).
