

Minimum required: 120 semester credit hours

General Requirements

- The general education core curriculum courses are listed in the degree plan below along with the statewide component code number. See the General Education Core Curriculum (<http://mycatalog.txstate.edu/undergraduate/general-education-core-curriculum/>) section of this catalog for the Texas State requirements and options in the core curriculum, including Honors courses.
- In addition to the general education core curriculum requirements, the Bachelor of Arts (B.A.) degree requires three additional hours of English literature; 14 hours of the same language; and three hours of mathematics, science, logic, or computer science courses.
- Students are required to complete a global academic experience that can be fulfilled by an education abroad course. If students have documented extenuating circumstances that prevent them from studying abroad, they may instead take IS 4387 if it entails international work, service, or group research. Students must consult with the academic program coordinator in the Center for International Studies for IS 4387 substitution approval.
- A minor is required. Students can choose any minor except International Studies
- Students must complete a minimum of 36 advanced hours (3000 or 4000 level courses).
- Nine hours of writing intensive (WI) courses are required for graduation.
- To satisfy graduation requirements, students must have at least a 2.75 Texas State GPA, a 3.00 GPA in the International Studies major, and a 2.00 GPA in their selected minor.
